

Donnelly Dining Table - 95"

103315

This dining table will create an elevated rustic environment. Features a smoked acacia wood top and is complemented with an antique brass frame. Suitable for residential and contract environments. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
