

Monaco Bistro Table - 35.5"

105878

This bistro table offers a modern look with an organic feel. Features a substantial light grey marble and brushed gold iron base with a charcoal grey finished oak wood veneer top. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
