

## Midori Dining Table - 59" - Rectangular

101900

The contrasting materials of this rectangular dining table create a unique industrial modern design. A concrete top is well-supported by thin black metal legs and stylish brushed antique brass feet for an airy appearance. Perfect for smaller urban spaces, with seating up to six. Crafted from a natural concrete mix, each piece will look different. Variations in colour, texture, imperfections, surface scratches and non-structural hairline cracks are considered inherent and valued qualities of the material.
