

Moira Bench

110046

The Moira bench brings together a sleek modern silhouette with a coastal look. Features sturdy seating made from natural paper rope and a white wash oak frame. Brass painted stretcher bars complete the design. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Due to the natural contents of natural paper rope, it is advised to minimize contact with strongly dyed fabrics to avoid discolouration and/or colour transfer.
