

Dresden Bar Cabinet

111361

Mid-century flair and expert craftsmanship give the Dresden Bar Cabinet a handsome form. Constructed from smoke grey oak veneer and rubberwood with milliken cognac faux leather on the doors for an intriguing look. Textured circular handles in solid oak wood add a global flair. This cabinet features built-in storage for wine and stemware. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.

Dimensions
