

## Esai Bench

109541

Rich with texture, this impressive bench is infused with an exotic touch. Stocked in zenith alabaster performance fabric, and completed with a hammered antique brass steel frame. Performance fabric is moisture repellent, durable and easy to clean. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece.
