

Elina Sideboard

111026

This Scandinavian-style sideboard is a tasteful addition to any dining space. Made from natural solid oak wood with a whitewash finish. Features two drawers and three cabinets for ample storage. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
