

Oberon Coffee Table - Small

111411

The simple round silhouette of the Oberon Coffee Table accentuates the inherent beauty of natural mixed materials for a versatile piece that will enhance any room. Handcrafted and finished by skilled artisans, this piece includes a solid travertine top and an oak veneer base with a solid oak wood edge. As travertine is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
