

Pilar Bench

104803

This stunning bench will bring style and comfort to transitional spaces. Features a hand-stitched genuine white cowhide seat with a sleek black iron frame. As cowhide is a natural material, organic markings on the animal may still be visible and there may be apparent differences in hair length, colour, and pattern. No two pieces are alike and images on site may not capture these qualities precisely. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece.
