

Noemi Nightstand

107342

Incorporate an exotic touch to any bedroom space with this nightstand that is inspired by global travels. Made with grey solid mango wood with a hand crafted chevron pattern. Includes four drawers and completed with a black powder-coated steel base. Made in India: With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
