

Selah Coffee Table

110010

The Selah Coffee Table will elevate any modern living space with its minimal design. The white Carrara marble table top is elegantly complemented with a black powder coated stainless steel frame. Supported by a black oak wood base. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece.
