

Rivero Sideboard

110750

With a timeless design, the Rivero Sideboard is a delightful addition to any space. Crafted with a teal oak veneer for a subtle pop of colour, and complemented with a light wash rubberwood base. Includes ample storage with metal hardware in a gold finish. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
