

Waldo Counter Stool

104488

This comfortable counter stool combines mid-century modern style with urban design elements. Stocked in november grey fabric with a cinnamon brown bonded leather exterior, and black powder-coated iron legs and footrest. Suitable for various dining, kitchen and bar spaces of all sizes. Handle with Care: This design has been crafted with bonded leather. Bonded leather is a blend of reconstituted leather and synthetic materials crafted to reflect the natural characteristics of leather; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
