

Tessa Bookcase - Black

111741

Inspired by global travels, this exotic bookcase is infused with modern appeal. Features a curved frame crafted from black mango wood. Anti-tip kit included. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
