

Treviso Swivel Lounge Chair

105299

A modern swivel lounge chair designed with an angular base and a comfortable seat. Available in antonio charcoal performance fabric with a black eucalyptus wood base. Performance fabric is moisture repellent, durable and easy to clean. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
