

Tierra Dresser - Large

109790

Boasting a stylish design with coastal influence, this beautiful dresser features a clean-cut silhouette. Features an antique white wood frame with natural rattan detailing on nine spacious drawers. Completed with minted copper steel hardware. Handle With Care: This design has been crafted with rattan. This artisan-crafted material features intricate weaving that results in natural variations where no two pieces are alike. Colour and texture differences are to be expected and embraced with this natural material. Due to the weaving process used, the fibres in this material may display shorter or longer lengths where the weaving ends. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
