

Simmons Sideboard

107344

Featuring an angular shape, this unconventional sideboard is designed with modern appeal. Crafted with a grey solid mango wood frame and a white marble top. Black powder-coated steel legs complete the look. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
