

Weldrick Dresser

108144

Make a statement with this stylish dresser that exudes prestige. Features a espresso acacia wood veneer with seven soft closing drawers. Completed with black and antique brass iron handles with coordinating base. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
