

Weldrick Nightstand

107276

Make a statement with this stylish nightstand that exudes prestige. Features a espresso acacia wood veneer with two soft closing drawers. Completed with black and antique brass iron handles with a coordinating base. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
