

Stamos Bookcase

104636

A trifecta of materials comes together in this modern bookcase. Crafted in Indonesia, the base features charcoal grey oak wood with a surrounding black iron frame. Completed with sleek glass shelves and two cabinets for added style and function. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
