

Hendrix Swivel Counter Stool

106008

This stylish counter stool from our features a comfortable swivel seat in black cowhide and a bold brushed yellow gold steel base. A sophisticated addition to kitchen environments. Suitable for various dining, kitchen and bar spaces of all sizes. As cowhide is a natural material, organic markings on the animal may still be visible and there may be apparent differences in hair length, colour, and pattern. No two pieces are alike and images on site may not capture these qualities precisely. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece.
