

Jade Dresser

104083

This uniquely crafted dresser will add transitional allure to any bedroom. Made from ash grey acacia wood veneer with six drawers for ample storage. Contrasting wood grain patterns on the drawer fronts and antique silver hardware complete the look. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
