

Jade Nightstand

102922

This uniquely crafted nightstand will add transitional allure to any bedroom. Made from acacia wood veneer with two drawers for ample storage. Alternating wood grain patterns on the drawer fronts and antique brass hardware complete the look. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
