

## Jenkins Nightstand

109103

Create a bedroom full of luxe appeal with this contemporary nightstand that boasts a sleek minimalist design. Made with solid poplar wood and available in high gloss cream and grey lacquer finishes. Features a single drawer and completed with rustic bronze steel hardware. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
