

Kayden Nightstand

107821

A classic nightstand that offers a timeless and classic look with its soft, rounded edges. Crafted from light wash acacia wood with two drawers wrapped in oyster shagreen bonded leather. Completed with antique brass metal hardware. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
