

Keldon Nightstand

108017

A sculpted two drawer nightstand with a sleek modern appeal. Features a white marble top paired with a sturdy acacia wood base in a brushed grey finish. Completed with brushed metal handles. Anti tipping kit included. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
