

Lark Dining Table - 94"

106130

This urban dining table will bring life to all dining spaces. Designed with a solid Acacia wood top with a sleek beveled edge and a black powder-coated iron base. Measures 94" long and is suitable for residential and commercial spaces. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
