

Gibbons Dining Chair - Antique Brass

110368

A unique mid-century modern inspired dining chair crafted in India. Features a seat in charcoal black leather with a sculpted seatback and frame in antique brass iron. With refined craftsmanship, this design was brought to life by skilled local artisans in India. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. Suitable for various dining spaces of all sizes. Handle with Care: This design has been crafted with 100% top grain leather. Leather is a natural material; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
