

Edmund Nightstand

106042

This nightstand will add warmth and allure to any bedroom space. Made of acacia wood veneer in a smoked grey-brown finish with two deep soft-close drawers. Brushed yellow gold steel handles and base complete the look. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
