

Hoyos Dining Table - 100 "

110661

The Hoyos Dining Table is a study in simplicity. Gentle waves on the table legs provide an eye-catching pattern and give added definition to its silhouette. Crafted from poplar wood and oak veneer. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
