

## Rhaenyra Sideboard

110831

Inspired by architectural shapes and classic design, the Rhaenyra Sideboard brings an elegant presence to any space. Crafted from sand beige oak veneer with distinct vertical graining on the base. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
