

Rustic Nuance I - 30" X 60" - Black Floater Frame

A0442

The interplay of texture and material in Rustic Nuance is intensified through a visual dialogue between light and dark tones. Abstract shapes are cut and arranged by hand across a richly textured background, creating a composition that feels both deliberate and intuitive. Each form is finished to evoke the character of wood, with one surface carrying a deep finish, while the other reveals a lighter burl-inspired grain.
