

MELT MINI ROUND LED

Melt is evocative of molten glass, the interior of a melting glacier or images of deep space. An imperfect, organic and naturalistic light that produces a mesmerizing hot-blown glass effect. The Melt family is now available with a new custom-made Tom Dixon LED ring.

Year of Design	2016
Material	Polycarbonate
LED Spec	Ceiling canopy: plastic and steel 6W LED included. LED and driver replaceable via Tom Dixon

MELT MINI ROUND LED

Process

Blow moulded polycarbonate with a semi metallised interior and injection moulded polycarbonate diffuser.

The round canopy is made from laser cut steel and vacuum formed white plastic.

Cleaning Instructions

Clean with a soft dry cloth only. Do not use polishing agents, water or abrasive materials when cleaning. Always switch off the electricity supply before cleaning.
