

# LANGSTON EXTRA LARGE LINEAR CHANDELIER

AKLS28627x

## General Product Information:

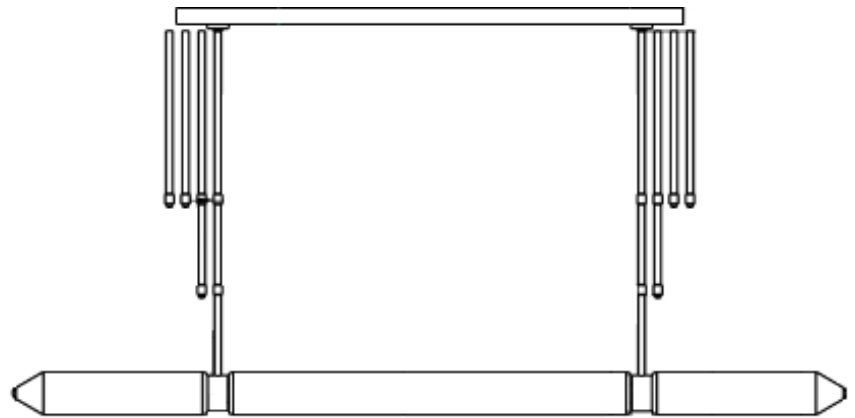

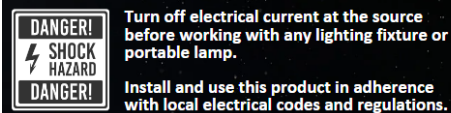

**Tool Needed:** Phillips-Head Screwdriver

### CAUTION-RISK OF FIRE

This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

**USE MINIMUM 90°C SUPPLY CONDUCTORS.**

SAVE THESE INSTRUCTIONS!

## Instructions

1. Use the two (2) #8-32 screws provided to affix the mounting plate to the junction box.
2. Install the anchors by doing the following:
  - a. Line up each anchor tip with the center of an anchor hole on the mounting plate.
  - b. Push the anchors in up to the threads.
  - c. Use a Phillips-head screwdriver to screw in each anchor the rest of the way.
  - d. Slide an anchor screw through a washer and screw it into each anchor to secure the mounting plate to the ceiling.
3. Determine the desired fixture height and assemble the stems accordingly by connecting the stems for each side together and securing them with screws.
4. Feed the fixture wires through one of the assembled stems and screw them to the top of the fixture.
5. Slide a collar nut (thread side up) onto each stem followed by the canopy.
6. Screw a half ball onto the top of each stem.
7. Insert the assembled half ball and stem pieces through the hanging plate and slide the half ball into the screw collars.

8. Connect the following wires with a wire nut:
  - a. Negative (-) fixture wire to negative (-) output driver wire
  - b. Positive (+) fixture wire to positive (+) output driver wire
9. In adherence with local electrical codes, attach the light fixture to suitable ground.
10. Connect the following wires with a wire nut:
  - a. White input wire to neutral power line wire
  - b. Black input wire to hot power line wire
11. Place all the wires and the wire-nut connections inside the mounting plate.
12. Affix the hanging plate onto the mounting and secure it in place by screwing all the collar nuts onto the screw collars.
13. Screw the shades into the shade bases in the direction shown on the illustration. **Screw it snug.**
