

PRODUCT FEATURES

- From traditional to modern interiors the Cymbol family brings timeless style and materials that compliment without overpowering.
- The armatures play the structural role in the system, giving Cymbal an architectural grounded character while providing a conduit for the completely hidden LED sources.
- This item is made of natural brass. It is a living finish that will patina and warm with age which adds richness. If it gets an uneven patina or spots, a brass cleaner can restore the finish
- Fully dimmable integrated LED lamp
- Modern finishes available
