

ST903 Pendant

tomrossau.com

Danish design by Tom Rossau
Hand built in Copenhagen, Denmark

Description

ST903 comes in three sizes, and are great over a dining table and as a ceiling lamp for high placements. The ST903 pendant consists of two screen materials, a white cylinder in the middle, made of coated paper and an outer screen made of birch veneer. The white center gives a soft and diffused light, as it lights up the open outer screen of birch veneer, creating a luminous space within the lamp. A beautiful lamp with character and volume.
