CROFTON LIGHTED ROUND MIRROR, BRASS

ITEM #09947

Versatile in design, this round mirror has integrated LED lighting that illuminates through the frosted strip in the polished edged mirror. The plated brushed brass stainless steel frame is off set from the wall to allow ambient lighting from the back. Easy to use touch buttons are featured on the bottom right of the mirror with an on off function, touch and hold kelvin control from 2700k to 4000k, and touch and hold brightness control. LED lights rated at 40,000 hours. Ships with plug, but can be hardwired professionally. Touch screen icons continue to illuminate when powered off for easy navigation in dark settings.
