Balanced Harmony Sculptures, S/2

SKU: 17132

This captivating set of two wooden sculptures features a striking symmetric design, showcasing a central sphere surrounded by four disk-like protrusions on short stems. Crafted from dark walnut stained suar wood, these sculptures embody modern artistry and elegance, making them perfect for adding a unique focal point to your decor. Ideal for display on shelves, tables, or as part of a gallery arrangement. Sizes: S-8x8x8, L-10x10x10
