

# Africa

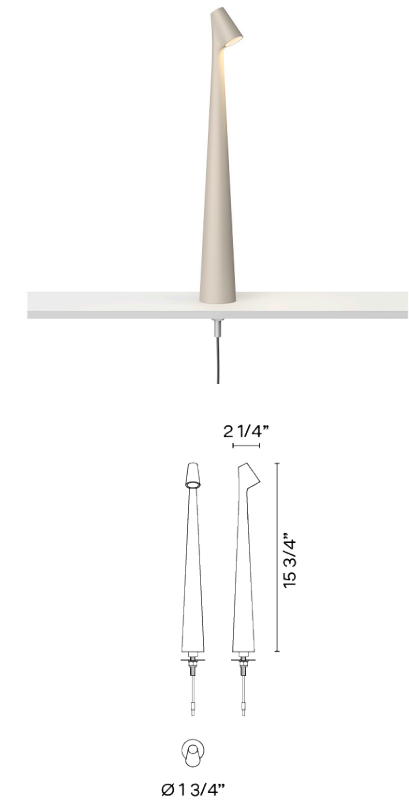

## 5595

VIBIA

Design By Francisco Gomez Paz

The Africa table lamp is defined by a slender conical stem leading to a pure and elegant head. The bolt-down version is fixed to a point and designed to integrate into the surrounding architecture, making it ideal for commercial spaces such as hotels or libraries, serving as reading lamps on communal tables, for example.

### Spec sheet

Any modifications require a minimum order quantity and extra lead time

- Finish**
