Inspired by the imaginative and surprising artwork found in century-old Japanese art books, Scribble takes things a little more Pop art. Sure to grab your attention in any space, Scribble features free-form curves and captures them in a circular framework to allow them to stand out in an ideal combination of art form and function. Scribble takes on an almost stream of consciousness style where there is no beginning or end, but an infinite flow – just like the creativity of the artists that inspired it. This collection is embellished by a silver gold finish applied to the scribbling itself and backed by a light taupe linen shade.

Crafted from 70% Recycled Steel. Street Art Inspired. Hand-finished in Matte Black and Artifact.
