When you first see it aglow with its fine intricacies, it may not show, but the Wildflower collection started its path to existence thanks to Mary V. Walcott's Oconee-Bells discovered in the Smithsonian Libraries and Archives Special Collections. Taking center stage is a touch of Danish modern on top of midcentury. Wildflower combines delicate, handmade ice glass flower petals, with equally delicate wispy hand-forged and recycled steel tubing and metal work. Available in gold or black.

Hand-forged Recycled Steel. Handmade Recycled Glass Flowers. Available in Gold Dust with Artifact Accents or Matte Black Finishes.
