Fairchild is the newest companion to our Morgan collection, and when Morgan and Fairchild come together, not only can 80s soap opera fans rejoice, but so can anyone looking for the ideal fixtures for rooms like the bath and kitchen. We think the ice queen and femme fatale herself would approve as Fairchild features delicate, handmade ice glass (milky white mixed in clear), accented by the perfect curves. Fairchild also features barely-there metal work and includes black, gold and nickel glass lock ups to make it easy to match existing hardware.

Hand Made White Glass with Clear Edges. Minimalist Hardware. Includes Black, Gold and Nickel hardware.
