A cultural legend dating back to 2,500 - 3,000 BCE, has it that once upon a time, during a torrential downpour, a graceful goddess descended from the skies wearing a giant conical hat to shield the people from a flood of rain. In the modern day, these conical hats grace fashion runways around the world and have inspired Varaluz to adapt this look to grace the ceilings of today's homes. Hilton Head features a French Gold hand-painted, multi-layered finish and hand-woven, natural, sealed seagrass.

Hand-crafted from recycled steel. Hand-woven seagrass. French Gold hand-painted multi-layered finish.
