Example: **R3JSAT-WCS-WT**

DESCRIPTION

The Kenric LED recessed luminaire offers an All-In-One 5-CCT adjustable white color temperature range from warm 2700K to cool 5000K. Easy to install with rotatable multi-axis 360-degree horizontal and 30-degree vertical aimability, this low-profile fixture is constructed with die-cast aluminum and a white powder coat trim. Choose between round and square trim and trimless styles with deeply regressed LED for superior glare control. A single fixture provides both downlight and adjustable functions that deploy up to 1450 lumens with a 90 CRI for true-to-life color rendering.

FEATURES

- 5-CCT Switchable between 2700K and 5000K
- Sold as remodel, but new construction frame available
- Driver included
- 5 year warranty
