

WILDWOOD CHELSEA HOUSE

15320 • Emmons Sconce - Nickel/Tall

24h x 5.25w x 4d

Metal

Polished Nickel/Natural White/Milk

Intended to enhance any space, regardless of aesthetic, era, or application, the Emmons Sconce is the epitome of timeless elegance. A marriage of materials— including metal, glass, and honed Carrera marble— creates a design that looks as beautiful flanking a bathroom vanity as it does lining a hallway. The pair of honed Carrera marble spheres perfectly frame the center column of glass. This piece can be installed vertically or horizontally to great effect. This sconce is damp-rated.
