## 295606 • Socialite Console Table - Natural

31.5h x 48w x 16d

Wood

Natural/Clear

*Sophisticated yet functional, the socialite console table from the Cheryl Lockett collection for Wildwood is wrapped in natural saguran adding warmth and texture to any space. A shelf and tempered glass tabletop provide optimal space for displaying a lamp and your favorite decorative accents. Natural variations in saguran may occur but create a uniqueness in each piece.*
