Antique Brass

The Elsie Table is a refined blend of elegance and functionality. Crafted from sturdy steel, this round side table showcases an antique brass finish that adds a warm, vintage-inspired charm to any room. The clear glass top allows for an unobstructed view of the beautifully finished base, providing a clean and airy aesthetic. The distinctive "T" handle design makes it easy to reposition, enhancing its versatility as an accent table in living rooms, bedrooms, or any space needing a stylish touch.
