**Mounting**

Lamp (Bulb) Description	1 x LED 2700K 1250lm CRI 82 - 16W
Environment	Indoor - Dry Location
Finish	Black
Technical and Product Description	AIM suspended light fitting. Body in varnished aluminum sheet, shade in photo-etched optical polycarbonate. Internal reflector in photo-etched ABS. Directionable body. Powered directly from mains. The cable has a useful length of 354 inches (9m) and thus the lamp can be suspended 118 inches (3m) from the ceiling. A wall plug version with switch is also available. This fixture is not dimmable. A dimmer may damage internal electronics.  <u>NOTE:</u> We offer discounts on purchase of 3 AIMS or more. Discounted pricing will show in shopping cart at checkout. A purchase of a canopy for installing 3 or more and up to 5 AIM pieces is required. Please inquire with customer service (toll-free 844-356-7872) for details.
